STOP THE  
BLOCKADE!**

**THE OPPRESSION & OCCUPATION OF GAZA - FUNDED BY THE U.S. (GUIDED BY AIPAC)**

The most sobering image of the occupation and oppression of the Palestinian people is within the territory of the Gaza Strip where the 1.5 million population are imprisoned, harassed, terrorized and murdered by the acquiescence of the Obama Administration who funds the Israeli war machine to the amount of \$3 billion per year. We strongly demand the U.S. cease funding to Israel and that AIPAC (The American Israel Public Affairs Committee) be exposed for their criminal connections that influence U.S. politicians against any hope of decency, humanity and peace.

**THE WORLD MUST NEVER FORGET: THE FREE GAZA 'FREEDOM FLOTILLA' MASSACRE**

On the night of May 30th, 2010 Israeli Defense Force Commandos assaulted the FREE GAZA 'Freedom Flotilla' as it attempted to break the illegitimate Israeli blockade and bring much needed supplies to the innocent, oppressed and occupied people of Gaza. During the military assault upon the humanitarian aid lead vessel "Mavi Marmara" (in international waters) Israel openly, intentionally and maliciously killed and injured scores of civilians. This heinous act by criminal Israel amounts to nothing less than piracy, murder and the taking hostages (detaining the survivors against their will and delivering them under duress to detention in Ashdod, Israel.) We demand their crimes be addressed in international court and all involved be charged to the fullest extent. Israel cannot be allowed to act with genocidal impunity.
